

A mother bear ventured out in search of food. She told her cub, "Do not leave. You will be safe in the den until I return."

Mother Star Bear Moon

When a mother bear in search of food disappears into a winter blizzard, her young cub is left to survive on its own. With a little help from the woodland creatures, the cub emerges from the den, and embarks upon a journey to find her mother - and herself, and learns that we are never truly alone.
